## Counselor

---

Howdy! I'm Coach Kay and I am excited to be a part of Camp Raven 2019! This school year has been incredible and I can't think of a better place to spend my summer! I have been teaching social studies for 5 years and art for 4 years. When it comes to athletics, soccer is by far my favorite sport. I have been playing for 30 years, coaching for 17 and have no plans of stopping anytime soon. I am also a musician who has been playing in bands since I was 16. I am currently in two bands and play tons of shows as a solo artist. I look forward to the opportunity to play soccer, workout, play music, float, camp and have a great summer together!
