

Kirsten Redmond

Camp Director

I am beyond excited to begin my 22nd summer at Camp Raven and my 2nd year as Camp Director!! The best part of my day is driving onto campus, seeing the animals in the barnyard, the deer frolicking on the football field, the surrounding woods, and a occasional peacock crossing the road. I have been a teacher at Riverfield since 1992, teaching in the Preschool and the Lower School primarily. Currently, I am the Lower School Atelierista (Art Studio

Teacher), working in the Art Studio with Kindergarten through 5th grade as well as working with the classroom teachers and their investigations through small group work. I have a large blended family with a loving, piano-playing husband, Peter, and nine kids. My older children, Jake and Katy, graduated from Riverfield and are studying Film and Television at Savannah College of Arts and Design and Fashion Merchandising at Drexel University, respectively. My younger girls, Emma and Abby, are currently Sophomores at Riverfield. Summers at Riverfield are truly magical and I can't wait to see you all here at Camp Raven.
