RCDS Librarian for 10 years

One of my favorite things about summer is Camp Raven. This is my 14th year doing camps and I always look forward to the adventures that await all the campers. I always want to do more camps than are possible. This year I am doing a two week Mega Jedi camp...Book Scavenger , A Peacock Bakery and

Mine-craft camps and helping with a mosaic camp. I love to travel and love all things books and all things French. I also co pastor a church with my husband in Okmulgee Ok.

"One day, I'll be an old lady with long rainbow hair living in the woods. I will have a rad tree house with tons of rooms for people to come over, recharge, and make art and play." - adapted from Kerli
