

Mrs. Libby Sublett

Counselor

Hi! My name is Libby Sublett and during the year I am the Lower School music teacher at Riverfield Country Day School. I am also the Cherub and Children's Choir Director at All Souls Unitarian Church. I serve as Vice-President of the Oklahoma Green Country Orff board, am a fellow for OKA+ Schools, and sing in an all ladies a capella group called "The Lost Keys."

During the school year, I spend almost all of my time either teaching music, making music with friends, or helping others teach music. When I'm not working, my husband and I enjoy travelling! Most of the time it is just back and forth to see each other because he is currently living in Missouri while working on his PhD in mathematics. We love taking road trips though and try to make it to Colorado once a year and visit family and friends in Washington, D.C. regularly. During the summer, I enjoy travelling, swimming, gardening, and CAMP! I spend most of the month of June as the stage manager at the Oklahoma Summer Arts Institute at Quartz Mountain which is a summer arts camp for high school students. I am thrilled to be back for part of Camp Raven this year and can't wait to sing, dance, and play the days away!
