

Mrs. Mary Jo Hollis

Counselor

I am Mary Jo Hollis and I'm excited about hanging out with kids during some of my summer! I have been teaching for 24 years in 5 different states. I have taught students from preschool age through high school and enjoy working with students at all ages. I currently teach 2nd & 3rd grade at Riverfield. I am from Atlanta, Georgia so I'm used to the hot and humid summers. This summer I will be working in several camps including Construction Camp, All Things Yummy, and Sign Language. When I am not working at school or camp, I hang out with the animals on my farm. We own Pickle Meadows Farm and we raise hogs, cows, goats, chickens, and a donkey named Titus. Join me for one of our exciting camps this summer and you are guaranteed to have a great time!
