

Ms. Casie Fisher

Counselor

Welcome campers! This will be my 6th year of Riverfield camps! During the school year you can find me floating throughout RCDS substitute teaching and doing 4th/5th After School Club. As of now, I am pursuing a degree in education with a focus on counseling as well as attending Victory Bible College. My top five favorite things would be laughter, dancing, anything active, writing, and meaningful conversations. I am genuinely passionate about connecting with people of all ages, and am excited for this summer and all that it holds for campers and counselors alike!
