Born and raised in Tulsa. BFA from the University of Tulsa and advance studies in 3D art. Worked as an animator for Disney. This is my 25 year teaching and am a teacher at Owasso High School. Also am an artist for Pinot's Palette. When I am not doing art, I travel as a stand up comic. I have 2 boys (a senior at Owasso High School and a college freshman who is pursuing a career in art). I thank God for all my many blessings and focus on Him and his divine wisdom everyday:)
