

Ms. Liz Hunt

Counselor

Welcome campers! After a wonderful first year as the Middle and Upper School Drama teacher, I am so excited to spend my first summer as a counselor at Camp Raven! I fell in love with the performing arts at a young age and have been active in theatre since that time. I spent five years as the Artistic Director for a local youth theatre company. During that time, I directed several musicals and plays including: Grease, Seussical, and Cinderella! When I'm not memorizing lines, reading new plays, or performing, my hobbies include painting, traveling, and reading!
