

Katie Fields

Counselor

My name is Katie Fields, and I have worked at Riverfield for three years. I teach K-1 in Sky Class and have been there for all three years. I worked summer camp in the preschool a few years ago and worked with grades 1-2 in Camp Raven two years ago. I graduated with my Bachelors in Early Childhood Education from OU-Tulsa, and I will graduate with my Masters in Early Childhood Education in December from NSU-BA. I have two children.

Angel is a senior and will graduate in May from Riverfield, and my son is a junior at Broken Arrow High School. I am an avid reader, and I'm super excited to teach the Harry Potter camp this summer!
