

Katie Doughty

Counselor

Hello Ravens! I cannot wait to get started in my first year at Camp Raven! I am finishing up my second year as the 6th and 8th grade English teacher and Co-Leader for the House of Water in the Middle School. I was born and raised right here in Tulsa and went to school all the way in Stillwater. There I met my husband, Steven, and last summer we added a cat, Daisy, to our family to boss us around at home. When I'm not with them, I might be found in binge mode on the couch either reading or watching Netflix. I am so excited for the camps I get to be a part of this summer! Drama, Chopped, and Mystery camp is going to be epic. I'm really looking forward to Explore Tulsa, and getting a chance to share some of the awesome things my hometown has to offer. Wizarding Week has a special and magical place in my heart as an avid Harry Potter fan of SEVERAL years. Table Top is a true love of mine. Many of the fun, complicated games we'll play are games from my own collection. I can't wait to get started!
