

Paul Knight

Counselor

For this summer, my 13th at RCDS, I will be teaching several music camps at Camp Raven for the Riverfield Rocks program as well as the RCDS Drumline. I thoroughly enjoy the time I get to spend with everyone in Camp Raven as it is a great opportunity to introduce young musicians to new instruments and ideas!

As for my background, I have been teaching music since 1999, and have studied music formally since age 3. I play the drums, piano, guitar, bass, lap steel, ukulele, and I sing.

My first book, *New Beginnings: A Practical Approach to Modern Drum Set Playing*, is internationally published through Zomac Publications. My first solo album, "Progressions/Colors" is available at every digital retailer worldwide and on CD at several retailers. You can even buy it from me!

I perform music, I record bands and artists, and I also organize local music and culture festivals, such as Center of the Universe Festival and Tulsa Oktoberfest, the latter of which I work for as entertainment director.

I am married to another RCDS faculty member, Mrs. Knight (big surprise), and we have two boys: Parker, who is an incoming fourth grader, and Brady, who is in going into the second grade. They have attended Riverfield since they were infants, and love this wonderful school.

If you need me, I can be reached via email at pknight@riverfield.org or my direct line, (918) 574-2130.
