5th/6th Academic Bowl Teams Headed to State Tourney After Weekend Regionals

RCDS hosted the 5th/6th OJABA (Oklahoma Junior Academic Bowl Association) regional tournament on Saturday. Coach Elle Fowler led the A Team of 5th graders Jack Swim (Captain), Joe Albin, Chloe Edison, Evie Fowler, Archer Hargett, Bennett Moren, and Zander Williams. The 6th grade squad, aka RCDS-B, was led by Coach Sara Moren and consisted of Alex Gund, Patrick Herring, Parker Nicholas, and Co-Captains Aiden Uddin and Harper Grace Walton. After a strong first round win, RCDS-A pulled off a close and unexpected victory over RCDS-B, the number one seed of the tournament. RCDS-B successfully fought their way through the consolation bracket to make it back to an all-Riverfield final, in which the A prevailed to be champion and B was named runner up. Both teams will head to the state tournament in March. Coaches Fowler and Moren would like to thank Herr Clark and Herr Day for serving as judges and our parents for supporting the players via a video link set up by Mr. Tucker. He deserves the accolades of the whole Riverfield community for making it possible for families to watch the action, as COVID restrictions allow only the participants to be in the rooms. Go Ravens!

Send a Birthday Greeting to Your Student

If you'd like to send your child a special birthday message via the sign in front of the Rogers Building and/or the Main Building, that cost is \$40 (billed to your FACTS account). Email your message and the date needed to frontdesk@riverfield.org. Please give at least three days notice. Thank you.
