Junior/Senior Internship Week a Success

This year's juniors and seniors kicked off Riverfield's inaugural Junior Internship Program by spending a week on job sites the week of January 28-February 1. Students selected sites based on their interests and worked with faculty advisers to contact and secure a supervisor on the job site. Students were introduced to work in fields such as culinary arts, law, medicine, teaching, psychology, music, and more. The interns will host a Career Fair for 6th-10th graders later this month.

OJABA Victory for Academic Bowl

Riverfield's two 6th/7th Academic Teams traveled to Dewey last Saturday to play in the Oklahoma Junior Academic Bowl Association's (OJABA) Regional Tournament. Coach Sarah Bluhm led the "A" Team of Captain Wyatt Horton, Tye Alderman, and Ben Bluhm. Several other teammates were unable to attend. Team B consisted of Captain Chase Hill, Sophia Cook, Reese Covey, Logan Moren, Leah Stallings, and Caleb Walton, coached by Herr Clark. Both teams narrowly avoided a first round loss by the slim margin of one question. The A Team played three more rounds before being eliminated. The B Team woke with a vengeance after that early scare, destroying Vinita then taking on host team Dewey twice. The Champs ended with a 4-0 record, averaging of 320 points per game, which should secure a good seed when they play in the State Tournament in April. Go Ravens!

Recycling Ravens

Thanks to our families who dropped off aluminum cans to be recycled last Friday. And thanks to Middle and Upper School students who assisted with the process! The next drop-off date is Friday, March 1st.
