Admissions Procedures:

Riverfield takes a holistic approach to admissions decisions. No one aspect of the application is more important than any other.

- Take an initial tour of Riverfield during an Open House or schedule a time at your convenience.
- Submit to Riverfield completed Application for Admission and Records Release. The Records Release will be sent to the applicant's current school to obtain student records.
- Provide requested additional documentation as appropriate.
- Kindergarten – 5th grade applicants: Obtain the Teacher Observation Form from Riverfield's Admissions Office. The form needs to be signed by the parent, then completed and sent to Riverfield by the teacher.
- 6th – 12th applicants: Obtain the Teacher Evaluation Forms from Riverfield's Admissions Office. The forms need to be signed by the parent, completed by the student's English teacher and math teacher, and then sent to Riverfield by the teachers.
- Arrange a family interview with admissions personnel and/or appropriate Division Head. This can often be done in conjunction with the tour or student's visit day.
- Schedule and complete a student shadow visit during the regular school day.
- Riverfield may request that a placement test be taken for further information.

Admissions decisions are made in late March with late admissions per availability. Accepted applicants for whom there are no openings are placed on a waiting list.
