Congratulations to Senator Hale of Oklahoma

Senior Robert Hale recently extended a very fine speech/debate career at the East OK NSDA Congressional Debate Tournament by qualifying for a seat in the Senate at NSDA Nationals in June. Robert will be ready to debate global warming and dozens of other topics when he represents RCDS and East OK next month. Additionally, Elle Kalcik and Andrew Jordan are joining with three Union debaters to compete as the East OK Silver World School Debate team at Nationals.

8th Grade Closing Exercises and Upper School Commencement

To keep our community safe, this year's 8th Grade Closing Exercises and Upper School Commencement will only be open to families and staff in person. Links to the livestreams of these events will be sent soon so that others can tune in.

A GIGANTIC THANK YOU!

Last week's Staff Appreciation Week was a very welcome treat for our employees. Thank you very much to these wonderful businesses as well as the many parents who made desserts, brought fruit, and volunteered to serve throughout the week. Your efforts were much appreciated!
