

## ANNUAL SCHOOL CALENDAR 2024-2025

*Ignite adventure, inspire inquiry, and build excellence to empower students to change their world.*

We believe students are innately intelligent and competent, and learner-centered inquiry is the underpinning of learning.

We are committed to school as a place of research, valuing each individual within a safe, respectful, learner-focused community that bravely grows and evolves together as One Riverfield.

Looking outside of ourselves and into the world, we are dynamic, flexible, and agile as we cultivate a culture of innovation, sustainability, and advocacy.

We design robust environments, active learning experiences, and integrated curriculum through inquiry and problem/project based approaches to creatively demonstrate progressions toward mastery through feedback, iteration, and application.
